

# City of Loma Linda Official Report

Robert Christman, Mayor  
Stan Brauer, Mayor pro tempore  
Floyd Petersen, Councilmember  
Rhodes Rigsby, Councilmember  
Robert Ziprick, Councilmember

COUNCIL AGENDA: August 14, 2006

TO: City Council

VIA: Dennis R. Halloway, City Manager *[Signature]*

FROM: Michael Norris, Fire Chief *M. Norris*

SUBJECT: Surplus Vehicle

## RECOMMENDATION

It is recommended that the City Council declare the Fire Department's 1986 Grunman Aerial Cat 102' Ladder Truck surplus and authorize that the be traded-in to Fire Apparatus Solutions Company of Santa Ana, California. The truck has become a maintenance liability rather than an asset to the department.

## BACKGROUND

The truck company is due for replacement by the new Smeal Ladder Truck. The current truck has had constant mechanical breakdowns since the beginning of the calendar year placing it out of service more often than it is in service. The breakdowns are due to a myriad of issues from engine, ladder, and structural components. The new ladder truck is due to be delivered from the factory sometime in September 2006.

## ANALYSIS

The truck is to be traded-in to Fire Apparatus Solutions on an "as is" basis.

## ENVIRONMENTAL

None.

## FINANCIAL IMPACT

Fire Apparatus solutions is crediting the City \$50,000 towards the purchase of the new truck according to the original contract.
